Re: Gym Reopening

Date: August 27, 2026

Dear Shareholders:

We are pleased to announce that our gym is officially **open today!!**

Following the recent flooding, the necessary restoration work has been completed, and we are excited to welcome everyone back to the refreshed space.

The gym has been freshly repainted, new flooring mats have been installed, and several pieces of equipment have been replaced, including a new treadmill, a new elliptical and a new Hyperextension workout bench.

If you are interested in joining the gym, please email me at LDouris@metromanagementdev.com and I will send you a membership application. Once completed, you may sign and return the application to me via email.

The annual gym charge is \$200, which will be added to your maintenance bill at the beginning of the new year.

We know this closure has been difficult and inconvenient for everyone, and we truly appreciate your patience, understanding, and cooperation throughout the process.

We are excited to have the gym back open and look forward to seeing everyone back in the gym, enjoying the new space and getting back to working out!
